YOU WANT TO KNOW WHERE THE FOOD COMES FROM?

- Our beef and pork come from Bavaria, are 100% organic, and come either from the Pichler organic butcher or the Herrmannsdorfer Landwerkstätten.
- The fish comes from organic fish farming (naturland aquaculture) Weiden in the Fuchs Valley.
- The eggs come from Unser Bio-Ei located in Bairer Winkel, 30 km from Munich.
- Our potatoes and a large part of our vegetables is supplied by the Organic Farm Pürten.
- Our organic bread for the dumplings comes from Martin's wood oven bakery in Grafing.
- We get our organic milk from Berchtesgadener Land, which ensures that the farmers receive a fair price for their products.
- Our ice cream comes from Del Fiore, the revolutionary ice cream manufacturer in Munich, and it is, of course, all organic.
- Many of our organic products are supplied by Lunemann's – organic wholesaler from Ottobrunn.
- Our mineral water comes from the Munich gravel plain and is bottled in glass bottles by Aqua Monaco in a climate-neutral manner.
- Our wine is supplied by Vinus, the organic-certified wine merchant we trust, from Planegg.
- Our organic espresso is from Merchant & Friends and the beans are roasted in Herrmannsdorf.
