Are you bored?

Take a look at our children's shelf, there you will find many toys and children's books. It would be great if you could do things later back to their place 😊

If you like painting, let us know. We will be happy to bring you painting paper or coloring images on the table.

Enjoy your meal and have fun in the Klinglwirt!

Note for parents:

You can find changing tables in both restrooms.

You'll find the shelf in the back of the restaurant, on the way to the restrooms. . .
